

Concert is a success

EAST YORKS: A concert featuring music from West End shows raised £500 for a charity that grants terminally ill children's wishes.

Hull Music, a private singing and piano school run by Kathryn Adams, held the concert on October 11 at St Peter's Church in Anlaby.

It featured 26 singers, the youngest of whom was six.

All proceeds from the concert went to the Make A Wish Foundation.

Mrs Adams said: "It is the second successful charity concert we have done.

"Last year, we raised £500 for Beverley Community Lift."
